

National Assessment of Educational Progress (NAEP) Web Resources

INFORMATION	WEB SITE / PAGE ADDRESSES
California Department of Education NAEP Web Page	http://www.cde.ca.gov/ta/tg/nr/ This page contains a link to the MyNAEP Web site, a list of schools selected for NAEP participation, a link to the NAEP results for California, and the NAEP Overview that includes resources such as a calendar of activities and responsibilities, questions and answers about NAEP, and sample parent/guardian notification documents.
NAEP Home Page	http://nces.ed.gov/nationsreportcard/ (Outside Source)
MyNAEP Web Site	http://www.mynaep.com (Outside Source) This site contains information for school districts and schools on NAEP, including sample test booklets (i.e., demonstration booklets). A registration identification number is required to register and access information on this secure Web site.
National NAEP	http://nces.ed.gov/nationsreportcard/about/national.asp (Outside Source)
State NAEP	http://nces.ed.gov/nationsreportcard/about/state.asp (Outside Source)
National & State Results	http://nces.ed.gov/nationsreportcard/ (Outside Source)
Long-Term Trend	http://nces.ed.gov/nationsreportcard/ltt/ (Outside Source)
Released Questions	http://nces.ed.gov/nationsreportcard/itmrls/ (Outside Source) This site contains the number of released questions in each subject, year, and grade for the main (state and national) NAEP assessments. The same information is available for long-term trend assessments, but by age. There are about 2000 questions available using the NAEP Questions Tool located at this site.

National Assessment of Educational Progress (NAEP)

Web Resources (continued)

INFORMATION	WEB SITE / PAGE ADDRESSES
Demonstration Booklet	http://nces.ed.gov/nationsreportcard/about/booklets.asp (Outside Source) These booklets contain descriptions of each test, test directions, questionnaires, and sample questions.
Frameworks	http://nces.ed.gov/nationsreportcard/frameworks.asp (Outside Source) The National Assessment Governing Board (NAGB) develops the NAEP frameworks. Frameworks capture a range of subject-specific content and thinking skills needed by students in order to deal with the complex issues they encounter inside and outside their classroom.
Current Activities	http://nces.ed.gov/nationsreportcard/about/current.asp (Outside Source)
Introduction to NAEP	http://nces.ed.gov/pubsearch/pubsinfo.asp?pubid=2005454 (Outside Source) A nontechnical brochure that contains a thorough explanation of the NAEP program.
Parent and Guardian Information	http://nces.ed.gov/nationsreportcard/parents/ (Outside Source) Parent and guardian information is available in English and Spanish.
NAEP Site for Students	http://nces.ed.gov/nceskids/ (Outside Source) The National Center for Education Statistics (NCES) Kids Zone is a site that provides students with quizzes and skill building in math, probability, and graphing and with interesting facts about education. Students can also find information to help them decide on a college.

State NAEP Coordinator: The state NAEP coordinator can be reached at 916-319-0332, at 916-319-0967 (fax), or at NAEP@cde.ca.gov.
